Frugals #1 Port Angeles

What a January! I don't know about Montana but here in Washington January has felt more like spring then winter. Folks are warming up and even the flowers are being fooled into believing that it is spring as they are starting to bud. The only thing we are missing right now is the tourist stopping in to get their Frugal Fix. I am looking forward to 2010 and I am willing to predict that it is going to be a great year!!!!

Frugals #2 Tacoma

American Cancer Society Relay for Life (what a great organization) has kicked off their fundraising efforts for the big relay event being held June 11-12th at Mt. Tahoma High school. Frugals #2 wanted to show their support toward this annual event, so during the Relay for Life's kick off, they donated burgers and cheeseburgers to all the wonderful people who donate their time for this special event.

QUOTE OF THE MONTH

When you teach and explain and involve people in the business, and show them the value that they have and their ability to contribute, when you care about them and do it genuinely, they give you their heart. When you adopt a philosophy that it's the people that make the difference, your effectiveness as a leader goes up astronomically.
