## **THIS ONE IS FOR YOU!!!**

Thank you from everyone at Frugals for your years of dedication and hard work!!

You're the Greatest!

We wouldn't be the same without Teresa. Teresa is so passionate, thorough, and capable in her job.

We love her positive go-go attitude and follow thru. Thank you soooo much for all you do for Frugals and for us. We love you dearly.

Teresa is the center of our office. She is the glue that strengthens the teamwork between the corporate office and the stores.

We could no do the job we do without her help and support. Thank you for your dedication to the job and to us! Working with Teresa is an absolute joy. She is not only an awesome co-worker, but a best friend too; ready and willing to help in any way she possibly can. Thank you again for just being who you are!! We love you!!

Corporate Office

Frugals for many years now has had a district manager that has been guiding the show. Teresa has dedication unmatched and has complete knowledge of how the Frugals stores work. She handles all conflict with professionalism and fairness to all. An excellent teacher, Teresa provides all the stores with the support they need in order to run smoothly. She travels from store

to store and knows all the employees by name; they all have profound respect for her and turn to her for guidance. Frugals is proud and fortunate to have Teresa on board.

If you ask Teresa to do something, she always gets it done. Then when thanked for the help she responds with "I was just doing my job". Well that may be true, but it is done with such a great attitude and quick response. She goes above and beyond what is expected of her. She has a solid understanding of the business and is willing to share that information to help others work closer towards Frugals goals.

Teresa really is the heart of Frugals. She is the most dedicated, hardworking person I know. Does she ever take a break?! She has been through and survived so much and never gives up. I really look up to her and she gives me great motivation. Even on her worst day, she'll take the time to listen, even if it is just venting; and she gives great advice. Frugals is so incredibly grateful to her. She is a wonderful person inside and out, and a joy to work with.

~Tanya R.  
Auburn Mgr.

Teresa is the best boss any manager could ever have. Words of wisdom through experience and knowledge have made her an excellent teacher, we have all learned so much from her. She is not just a good boss, but a person's best friend. Thanks so Much!!
