ATTENTION ALL FRUGAL'S EMPLOYEES

Tragedy has fallen upon one of our former employees from Frugals 2.

On the afternoon of July 20th, 2008, Tony O. had a motorcycle accident with no helmet and suffered critical head injuries.

As this took place it was not known if he would even survive, let alone recover. As the family banded together it was decided to have a fund raiser car wash in the parking lot of Frugals. Something great happened that day, Jake saw people band together to help someone that needed it. He watched as customers had their cars wash and then park and help wash cars themselves. This 2 day event was amazing; they were able to raise \$1800. Frugals also donated

additional funds. So, here is the good news, we all knew Tony is hard headed and he proved it to us. His recovery has been nothing short of a miracle. He has been released from the hospital and on the long road to recovery. Thanks to everyone who helped and gave their time for this and Thanks for all the prayers.

MISC INFORMATION

Here we are in moving towards October already, can you believe it?!? Where did the year go. Soon it will be time for Halloween décor, then Thanksgiving and before you know it, it will be Christmas time.

As we head into fall and winter, please be careful out there. This is the time of year the roads are slick, wet and visibility is low in the mornings. If we all respect the welfare of ourselves and others we can do our part in keeping the roads safe for travel.

QUOTE OF THE MONTH

If I could have my dream, I would take 25 percent of my life now and save it for when I'm old and nobody wants me. But I don't want to give up any of it. It's too much fun. I tell my kids that if you really like what you do, it's not work. You are going to spend so many hours there; you'd better like what you do.
