FRUGALS #1 Port Angeles

Fan-o-mania has swept our peninsula. Twilight has secured a spot in the hearts of the locals. Bella has made her presence be known. Edward may be cold but he has warmed the hearts of many young girls and a few older ones too.

Our local merchants are riding the coattails of the movie Twilight, about a vampire and his mistress. With 4 books of Twilight, stay tuned for the continued saga between Bella and Edward.

Yes, there is plenty to celebrate with a variety of products offered in and around where Bella lived.

Frugals has been struck and we are offering our version of a Bella Burger and an Edward Shake. The Burger will feature portabella mushrooms sautéed and served on our signature burger. The Shake will be chocolate cherry Edward's creamy blend. It's sure to warm the coldest heart.

Stop by and have some fun and enjoy our great food and customer service!
