Frugals #1 Port Angeles

Frugals Manager, Bob, in Port Angeles would like to extend a giant thanks to all his employees and vendors for making 2009 a great year. The dedication and desire to keep Frugals ahead of the pack was a successful venture. Bob would also like to thank all of his loyal patrons for their continued support. Through superb service and delicious hamburgers, shakes, and fries we keep our community coming back. Seen as an icon on the Peninsula, Frugals is a must stop for folks coming back to town to visit, play or work. I hear this daily from our customers. We will continue to stick to the basics and build our reputation on being consistent and reliable. Frugals will be around for a long time to come. I hope you enjoy a Frugal Burger today!
